PROFILE

Finance content creator who researches, writes and presents his own scripts. I built Julien Invest from zero to 54,200 followers while teaching full time, and have worked full time on content since 2026. I use AI as production infrastructure (knowledge bases, prompts, agents, automated pipelines) and keep a human check on every figure. Native French, fluent English.

EXPERIENCE

Founder, writer and presenter · Julien Invest

Personal finance education in French

2021 to present · full time since 2026

- Research, script, present and edit long form YouTube videos on the PEA, French taxation, inheritance, decumulation, REITs and crypto.
- Grew the brand from zero to 54,200 followers: TikTok 50,000, Instagram 2,200, YouTube 2,000.
- Write the packaging for every video: titles, thumbnails, hooks and openings.
- Published 86 long form finance articles and built 13 free financial simulators on julieninvest.com.
- Built an AI assisted carousel pipeline: design tokens, layout rules, automated export and a fact check file for each carousel (source, reliability, date).
- Built and sold a financial education course, alongside one to one coaching.

Founder and creator · Ju.en.vie

Endurance sport and travel

2023 to present

- Grew the brand to 15,500 followers and negotiated 7 brand and accommodation partnerships directly.

Content lead · CIEL BLEU

Running club, Paris

2024 to 2026

- Built the content system (brand charter, story templates, race day formats) and grew the account to 4,000 followers.

Physical education teacher · REP high school

Île de France

2021 to 2026

- Five years explaining to classes of 25 to 30: daily public speaking, clear explanations and weekly deadlines.
